ENTRY REQUIREMENTS

To study this course, you must have:

EITHER

EOW (III/1) or equivalent Certificate of Competency

OR

Second Engineer (III/2) or equivalent Certificate of Competency

AND

The necessary sea service to apply for a Notice of Eligibility for either Second or Chief Engineer.

Full details can be found in sections 3.5 and 3.6 of MCA document MSN1857(M+F) available from the MCA website.

ASSESSMENT

The current method of assessment is by external examination prepared by SQA on behalf of the Maritime & Coastguard Agency.

Single subject certificates are issued for passes in the academic subjects and for a combination of professional subject passes ie General/Motor and/or Steam.

Upon passing the required assessment and an MCA Oral Examination* the candidate will be awarded the Certificate of Competency. Written examination papers are of three hours duration.

* Please note: All candidates must be in possession of an MCA Notice of Eligibility to apply for an oral examination only.
