

## **MINIMUM INDUSTRY SAFETY TRAINING (MIST)**

### **OVERVIEW**

This introductory safety training programme is designed to introduce the fundamental safety elements of the offshore oil & gas industry to new starts, giving an appreciation of the potential hazards and controls that might be encountered by personnell offshore. Each module has been designed to focus the delegates' attention on their personal responsibility for safety thus influencing their behaviour and attitude towards their co-workers, the installation and the environment.

Course structure: 2 day OPITO Approved training course, covering all five basic safety elements.

The new MIST Standard covers five basic safety elements:

1. Major Accident Hazards
2. Workplace Hazards and Life Saving Rules
3. Risk Management
4. Control of Work
5. Helicopter Safety

Please note that any OPITO training does not provide direct employment opportunities within the Offshore Oil and Gas sector. The training provided on this course is to supplement your existing skills and experience and hence enable you to meet the safety requirements offshore. You are advised to review the range of employment opportunities available for a match with your current skill set.

Could you please contact the Marine Booking office on tel: 0191 4273772 or email: [MarineBooking@tynecoast.ac.uk](mailto:MarineBooking@tynecoast.ac.uk) to check out availability.

### **FURTHER INFORMATION**

Please note: If you are not an EU passport holder, you will require a Student Visitor Visa to attend any course at South Tyneside College.

Could you please contact the Marine Booking office on tel: 0191 4273772 or email: [MarineBooking@tynecoast.ac.uk](mailto:MarineBooking@tynecoast.ac.uk) to book your place and also arrange your Visa letter.

The College accepts no responsibility if you book your place online but have not obtained a Student Visitor Visa resulting in non-attendance. Refunds will not be given in this instance.
