POLICY NUMBER 38

1 **Policy Statement**

Tyne Coast College is committed to involving the learner in its strategic decision-making and operational management processes.

2 **Scope**

The policy applies to all learners enrolled on college courses.

3 **Legislation**

No specific legislation applies to this policy.

4 **Responsibilities**

Everyone has a responsibility to give a full and active support for this policy by ensuring:

4.1 the policy is known, understood and implemented; and

4.2 the Principals are responsible for the effective implementation of the policy.

5 **Actions to Implement and Develop Policy**

The College believes that embracing learner views and offering an opportunity for learners to have direct involvement in assessing and shaping their own learning experience will have a significant and positive impact on developing the College's quality improvement processes and improving learner success. The College also believes that learners have key roles to play in self-assessment and policy-making procedures.

All learners, individually and collectively, have an entitlement to participate in the evaluation of their teaching and learning experience through:

5.1 **Tyne Coast College Student Union**

All learners automatically become members on enrolment unless they wish to opt out.

5.2 **Student Representatives**

Each tutor group from every curriculum area of the college nominates one or two representatives who are commissioned to voice the views of the group at meetings of the course teams, or act as a conduit to raise issues with the course leader which is communicated to the Heads of Department/Heads of School.

5.3 **Learner Forums**

Student representatives attend termly forum meetings where course/school issues are discussed. The outcomes from these meetings are distributed to the student representatives and also displayed on specific notice boards in each school.

5.4 Cross College Forums

Once every half-term student representatives from across the college meet with members of the college's Senior Management Team in separate FE and HE Forums where college wide issues are discussed. The results of these meetings are distributed to student representatives and displayed on the notice boards and via the 'You Said, We Did' posters throughout the college.

5.5 Student Governor

Two learners are elected as Student Governor on an annual basis.

5.6 Course Review and Evaluation

Learners are involved in the evaluation of their course with course leaders and teaching staff. This process feeds into the College's annual self-assessment process.

5.7 Learner Survey

Learners are given the opportunity to respond to a start of year, on-programme and end of year survey. Themes resulting from learner surveys are disseminated via learner forums, class representatives etc.

6 Monitoring & Evaluation

The Principal of Tyne Coast College and the Principal of Marine School will report annually to the FE Quality and Curriculum Committee.
